HK85

Metal & Wood

WORKSTATION EXPERT

HK85

A modern office workstation is shown through a glass partition. The workstation consists of a black desk and a black office chair. The desk is a simple, rectangular design with a metal frame. The chair is a high-back, ergonomic office chair with a metal base. The glass partition is clear, allowing a full view of the workstation. The background is a light, neutral color, possibly a wall or ceiling.
